

## MOVEMENT LAB SCHEDULE 2009-2010

Thank you in advance for assisting with the movement lab program. On your assigned day, please sign in at the school office than meet in the gym at 8:30 am. Expect to finish around 11:30 with a break from 10:00-10:20. In the event you can't fulfill the shift, you are responsible for finding coverage. Remember hours spent in movement lab count towards your volunteer hours. Our assistance with movement lab enables teachers to spend more one-on-one time with our children in the classroom.
