

## Sacred Heart School Volunteer Opportunities 2008 – 2009

Volunteers are one of Sacred Heart school's most valuable resources. As we work together, we blend to create new enthusiasm and ideas that shape the character of our school community. The stronger the community, the more benefits our children receive. Parent participation makes a difference! Please review the list of opportunities available for the 2008 – 2009 school year and check those that fit your interests.

Changes to the volunteer policy will become effective with the 2008 – 2009 school year (Returning families are still expected to contribute at least 40 hours, new families 26 hours):

Change #1: 50% of your hours are required to be related to fundraising. The list of opportunities identifies fundraising selections;

Change #2: Parents assuming PTAG Chair positions (President, Fundraising, Public Relations, Hospitality, Yard Duty ☺, Room Parent, Christian Living, Volunteer, Parent Ed) are exempt from Movement Lab and Yard Duty obligations for the year.

Thank you for your help & support!
