

Sacred Heart School Volunteer Opportunities 2009 - 2010 School Year

Volunteers are one of Sacred Heart school's most valuable resources. As we work together, we blend to create new enthusiasm and ideas that shape the character of our school community. The stronger the community, the more benefits our children receive. Parent participation makes a difference! Please review the list of opportunities available for the 2009 – 2010 school year and check those that fit your interests. The shaded boxes indicate that option is not available for the selected opportunity.

Due to the tremendous efforts of our families this past year, the volunteer policy remains unchanged for the next school year:

- Returning families, 40 hours; New families, 26 hours
- 50% of your hours are required to be from the fundraising opportunities. Those families exceeding 75 hours are exempt from the fundraising requirement.
- Parents assuming SAC or Chair positions are exempt from their Movement Lab and Yard Duty obligations for the year.
